

An opportunity to join Channel4 leading radio broadcaster

### Graphics Designer (Brand/Web)

Looking for a fantastic team? You'll find it at Channel 4  
Officially recognized as one of UAE best places to work  
Awesome work culture and environment

As a result of continued growth and development, Channel4, one of UAE's most progressive and exciting entertainment media companies, is looking for an enthusiastic and highly talented Graphics Designer (Brand/Web) to join the campaign response and activation team in Dubai.

You'll report to the Creative Director and be responsible for creating inspiring conceptual designs for a range of communications. A key aspect of the role involves the design of digital elements such as rich display advertising, however this isn't purely a digital web design job. As a vital member of the team, you'll help us win business by creating designs that communicate ideas perfectly and inspire our clients. Producing work of the highest standard in terms of design and functionality, you'll collaborate and be inspired by our design and creative teams

You'll fit right in if you:

- First and foremost have a rocking portfolio of work that showcases your skills
- Have 2+ years experience in commercial web/graphic design
- You need to be friendly; that means you make friends quickly!
- Love to inspire and educate people in design theory and practice
- Can run your own workload without supervision while getting things done on time
- Your ability to communicate any issues to the team is imperative to the work environment.
- You can handle loads of design briefs and know how much time is necessary for each.
- Knowledge of Adobe Creative Suite 4 , Coral Draw, Macromedia software's (which includes flash, dreamweaver) and know your way around a Mac is crucial.
